

"MEMORY BEARS" PROVIDE COMFORT

Do you like to sew?
Do you like to do things for other people?

Hospice of Lubbock is seeking volunteers for our Memory Bears program. Volunteers create a special bear for a family member of a Hospice patient by using a special article of clothing, such as a shirt, robe, quilt, blanket, etc. Once the Memory Bear is completed, Hospice of Lubbock staff will give the special keepsake to the family. Each volunteer will be given a bear pattern to use.
